

# Dance In Vancouver

BIENNIAL CANADIAN WEST COAST DANCE PLATFORM

Running since 1997, **Dance In Vancouver** is the leading opportunity for presenters and curators from across North America and around the world to view one of the most vibrant dance scenes in Canada – the eclectic contemporary dance of the West Coast.

Dance In Vancouver offers a carefully structured, curated, and intensive program with performances, studio presentations, events and dialogues. It provides a forum in which to explore the potential for collaborations with artists and organizations, and to learn about an upcoming new generation of choreographers, as well as to see established artists in BC.

At each edition we welcome presenters and curators from across Canada, Europe, Asia, and the Americas.

Dance In Vancouver seeks to engage in dialogue around residencies, creativity and community engagement and explore the future of dance and its role in society.

What visiting presenters have said about DIV:

*“The quality of the dance was excellent... We were there to experience the Vancouver dance scene and were immersed which was wonderful.”*

*“The Q&A dialogues at the artist showings were always very rich.”*

*“I got to meet and have great conversations with a lot of interesting artists... These discussions and reflections are priceless and will bring us all forward.”*

**14TH EDITION: NOVEMBER 2023**

**Registration opens in spring 2023.**
