You are invited to become a vibrant member of the Corporate Leader's Circle. Your financial commitment, your participation, and your enthusiasm are an investment in the future of dance in your community, ensuring gifted choreographers get to work with talented dance artists, in a world-class facility built just for dance.

"It was a pleasure working with you and your staff to host our Women's Forum event at The Dance Centre. Your staff were very helpful and organized during the planning process and they went above and beyond to take care of many aspects of the event for us. For example, they ensured our catering needs were met by suggesting options while being mindful of our budget and working with the caterer on our behalf. The studio space was a unique and optimal location to host our cocktail reception. The open space and beautiful patio offered a smooth flow for networking. Following our reception in the studio, our group enjoyed an energetic, vibrant and engaging performance, which was recommended by the staff, in the comfort of the theatre."
